

Aims of the school

The school believes that each child should be offered every opportunity to develop their own talents, academic, sporting, musical and creative, to the maximum through whatever medium. Gayhurst aims to provide a caring, sensitive environment where moral and spiritual values are of paramount importance. The school promotes a sense of decency, tolerance and worth so that pupils understand the needs of others and are able to act upon them in a manner befitting sensible, thoughtful young citizens.

Vision, Mission and Culture Statement; Which embodies the aims of Gayhurst School.

Vision

Gayhurst aims to be the leading co-educational prep school in the area and offer its pupils a rounded education so they may flourish in either private or state secondary education and the future stages of their life.

Mission

Gayhurst strives to give its pupils the best start in life. The School aims to provide a happy and caring environment. It treats every child as an individual and gives all its pupils the opportunity to achieve their potential in academic, cultural, social and sporting pursuits.

Culture

Gayhurst sets out to develop in its pupils:

- The acquisition and use of knowledge
- The ability to learn and work hard
- The desire to care for others as well as themselves
- A sense of tolerance and decency
- The emotional strength to cope with adversity
- Enthusiasm, persistence and resilience
- Leadership and teamwork
- Confidence and self-discipline.
