

ENVIRONMENTAL SOUNDS	INSTRUMENTAL SOUNDS	BODY PERCUSSION	RHYTHM AND RHYME	ALLITERATIONS	VOICE SOUNDS	ORAL SEGMENTING AND BLENDING
 Listening walks-listen to everyday sounds. Describe them and talk about the differences in sounds Encourage 'good listening' - eye contact, lips still, ears free Make contrasting sounds - talk about sounds that are loud and sounds that are quiet Make noises with everyday objects - keys, packets, pots and pans etc. 		 Sing action songs such as heads & shoulders Make noises with all parts of the body Describe sounds that we can make Pass a sound round a groupis it the same at the end? (Chinese whispers) Describe types of sounds - clunk, click, tap etc. Describe sound movements - rock, skip, stamp, march Describe changing sounds 	 Read rhyming books Encourage children to join in with repeating words and sentences Sing songs and nursery rhymes Make up rhyming words March in time to songs - Grand Old Duke Clap the syllables in words Butt-er-fly & cat-er-pill-ar Make patterns up when clapping, stamping for child to follow I know a word which rhymes 	I spy objects which start with the same Sound - sand, sausage, socks etc. Make collections of objects that start with the same sound She sells Sea shells on the sea shore - tongue twisters Match sounds Talk about names that start with the same sound Make silly names for ourselves - Munching Mummy, Silly Sally etc	 Look at the shapes that we make with our mouths when we say sounds and words - use mirrors Sing songs with noises - Old MacDonald etc. Voice sounds - make our voices change into familiar objects - telephones, snakes, etc. Start off saying a sound for everyone to join in with - copying each other Blind fold - whose voice is it? Make up voice sounds when 	Play blending games - put on your s-o-ck-s, turn on the t-a-p, shut the b-o-x Talk like a robot with everyday short words saying each sound separately (segmenting) I a-m a c-a-t I spy type game I spy with my little eye something that sounds like this ch-ee-se When confident encourage your child to separate objects into initial sound groups. Have a
