

Am I ready for Nursery?

Tips for Parents

Please help your child to practise these skills over the summer.

Self-care

I can usually use the toilet on my own and wash my hands.

I try to wipe my own nose.

Speaking

I can ask an adult for help when I need it.

Dressing

I am trying hard to put on and take off my coat, my shoes, my school jumper and my apron by myself.

Eating

I can feed myself with a fork and a spoon and I am trying to cut my own food with a knife.

I can drink from a cup without a lid.

Listening & Understanding

I can sit still and listen to a short story with pictures.

I can follow simple instructions.

Independence

I am feeling excited about being at Nursery with my friends without mummy and daddy.

I have practised putting on my uniform and talked about my new Nursery.

Sharing

When my friends come to play I am starting to share my toys and take turns.
